WPMCA Partners with The Wisconsin American Legion to Honor Hometown Heroes

Madison, Wis. (June 27, 2012) – Wisconsin gas stations and convenience stores will honor over 400,000 Wisconsin men and women who have served our country, through a new “Hometown Heroes” program. This partnership between members of the Wisconsin Petroleum Marketers and Convenience Store Association (WPMCA) and the Wisconsin American Legion will run during the week of the Fourth of July, Friday, June 29 thru Sunday, July 8, at participating stores around the state. The Hometown Heroes program will raise funds to support the many different programs offered by The American Legion.

“The Wisconsin American Legion is very grateful for the generous support to Wisconsin veterans and their families shown by members of the Wisconsin Petroleum Marketers and Convenience Store Association across the state,” said Wisconsin American Legion State Commander Denise H. Rohan, Post No. 333 Sun Prairie. “We’re excited that Wisconsin families enjoying the Independence Day holiday can help us serve their friends and family who have served our great country,” Rohan added.

Gas station and convenience store owners are hoping their customers will be willing to help by making a small, tax deductible donation when they come into their stores. Customers just need to look for the “Hometown Heroes” display materials at participating stores and make a donation at the cash register when checking out. Their generosity and contributions will make a difference for veterans in their community.

“We couldn’t be more proud of our brave service men and women, and we also want to acknowledge and honor their families who make tremendous sacrifices too, just coping with life’s day-to-day struggles alone here at home,” says Douglas Parrott, Director of Government Affairs for WPMCA. “The Wisconsin American Legion has some great programs, but they could use a little help. Our members are excited to once again be a part of a program that will make a difference in the lives of so many Hometown Heroes.”

The Wisconsin American Legion supports veteran families through many programs, most notably: Troop and Family Support, Camp American Legion, American Legion Service Office

and the Americanism Programs for Children & Youth. You can learn more about the specifics of The American Legion programs at www.wilegion.org or by calling 608-745-1090.
