

POST EXCELLENCE AWARD

PURPOSE: The Post Excellence Award is an award that posts can demonstrate their excellence in four of the main areas of concern to The American Legion. To qualify for the award, the post would be required to achieve a standard of participation in each of the four areas, those being; membership, youth activities, community service and support to currently serving troops or veterans.

The purposes underlying this award are membership growth, exposure of The American Legion values to the youth of the community and increasing visibility of The American Legion Family through service projects. It is anticipated that a post achieving this qualification will have involved a number of the post members in planning and achieving these goals. A number of posts will most likely already be active in these areas and qualify without extra effort. A significant number of others, however, will need to increase their efforts in one or more areas in order to qualify.

CRITERIA: The standard to be achieved in each of the areas of concern is:

Membership - Membership must be at least one member greater than the previous year. At least one post officer attends district meetings.

Youth Activities - Must sponsor and actively participate in at least one of the primary youth programs; Boys State, Baseball, Oratorical, Boy Scouts or Junior Shooting Sports

Community Service - Must accomplish a community service project that involves members of The Legion Family actively working in the community outside the post home. A large range of potential projects exists with some candidates being a project centered on one of the children & youth emphasis areas to fulfilling a strictly local need. A monetary donation may be part of the project but may not constitute the entire project.

Service to troops/veterans - Must accomplish a project supporting troops or veterans in the community that involves activity by Legion family members outside the post home. Projects range from the Family Support Network, Heroes to Hometowns or simply helping a local veteran with needed updates to the home are candidates for this category. Again, a monetary donation may be part of the project but may not constitute the entire project.

When submitting award, please attach photos, articles or other documentation supporting the above activities.

CERTIFICATION: The District Commander will submit a letter of recommendation for a post that has achieved the four specified criteria, to Department Headquarters no later than **May 15th** of each year. The letter should include the post name, post number, post address and post commander's name. The last two criteria would ideally be accompanied with copies of press releases that were submitted to the local media concerning the projects. That method would ensure that the projects were not only accomplished but that an attempt was made to enhance the image of The American Legion locally through the media. The copy submitted should include a date-time stamp showing receipt by the media outlet. The Department Adjutant will transmit information as posts qualify.
