ENTRANCE RULES

Averages – 1. Use highest USBC sanction average, 21 games or more 2016-2017. 2. If no established sanction average, 2015-2016 will be used. 3. If no established sanction averages the last 2 years current sanction average for 21 game or more (at the time of bowling) will be used. Those bowlers with no league average and only participate in our annual tournament will use a computerized average of the past years. Bowlers with no established average will enter with a 140 average.

Note: Tournament Directors have the right to re-rate bowlers. When tournament managers reserve the right to adjust a bowler's average, such adjustment must be accomplished before the entrant bowls. However, if the adjusted average is not accepted by the bowler, the entry fee shall be refunded.

Each bowler is responsible to verify the accuracy of his own average. Failure to use a proper average or make a correction prior to the time of bowling shall disqualify the score if the submitted average is lower than the actual average or base prize winning on submitted average if it is higher.

All members of the Wisconsin American Legion, the American Legion Auxiliary and the Sons of the American Legion in good standing are eligible to enter the tournament under the above rules. Members of the Sons of the American Legion may participate providing they are 18 years of age or older. All Current and Past members of the Armed Service are welcome to participate (including National Guard and Reserves)

No Refunds will be made after the entry and entry fee have been received and definite scheduling confirmed.

USBC Rule 319A When previous season's average is used and at the time of bowling, an entrant has a current average for 21 games or more games that is 10 pins higher than prior season's average, the current average must be used.

USBC Rule 319D All bowlers regardless of average must comply whereby a bowler must report any previous prize winning as a condition.

USBC Rule 317 Bowlers may compete twice in the team event only. For a 4-player team event – not more than 2 players on one team can place more than once in the prize list for position standing. The score bowled in the first team Competition will count in the All Events.

USBC Rule 329 All decisions of the tournament manager are final unless an appeal is made in accordance with USBC Rule 329
