

THE AMERICAN LEGION *Centennial celebration*

WE NEED YOUR HELP!

The American Legion and her Centennial Posts are coming up on 100 years! Our celebration is not only about honoring the past 100 years of our history of service to our Veterans, Service Members, their families and our communities, but also preparing to continue our legacy of service.

We have a rich history which was started by WWI Veterans who believed in continued service to their country even after the war was over. Our Centennial Posts will be celebrating in their individual communities and are looking for your help in keeping their history alive.

Did your great-grandparents serve in WWI or WWII? Do you know if they served in The American Legion? Do you have any historical papers, letters or items you would be willing to donate to your local American Legions Historian? If the answer is yes and you would honor us with your donation, please reach out to:
