

Badger Boys State, Inc.

A PROGRAM OF THE AMERICAN LEGION DEPARTMENT OF WISCONSIN

April 2nd, 2020

Around this time each year, I grow more excited about participating in Badger Boys State. Our program has existed for 78 years, serving Wisconsin students and citizens for generations.

With the recommendation of the medical and political leaders in our community, the Board of Directors of Badger Boys State agreed that it was necessary to cancel Badger Boys State this year, originally scheduled June 13-20, 2020.

The health and safety of our participants, staff, and volunteers will always be our top priority, and with the growing concern of the COVID-19 pandemic, cancelling the session for this year is the right decision.

Thank you to the staff, volunteers, and Board members who have spent a significant amount of time and effort preparing this year's program. Their dedication and investment is inspiring, and it is unfortunate that their hard work will be delayed until next year.

Although we are disappointed that our 2020 session will not take place, the longevity of the program will not be damaged. We are committed to continuing this tradition and providing a once-in-a-lifetime experience to our participants for many years to come. We look forward to a spectacular, educational, and fulfilling 79th session in 2021.

Should you have any questions regarding the cancellation of our program, please direct them to info@badgerboysstate.com
